Website brief – Maunga Club

Maunga Club hire snow/ski chalets (cabins) at the mountain to Club members. They would like a website to provide information about the Club and its chalets, and to encourage people to join the Club.

To follow is some key information about the Maunga Club and the chalets (cabins) it offers.

Chalets

- Only Club members can access the chalets.
- All chalet bookings must be from Friday to Sunday.
- Chalets offer shared accommodation for between 6 and 40 people per chalet.
- All three chalets are on the mountain, so you can ski to and from the chalets.
- The mountain gives 550 hectares of skiing/snowboarding area, and the longest ski/snowboard season in New Zealand.
- The table below summarises key features of the three chalets, including the maximum number of adults and children that each chalet can accommodate.

Chalet Number	Chalet Name	Maximum Adults	Maximum Children	Features
1	Kākāpo	10	30	• Largest of the chalets • Large kitchen, dining and living area • Great amenities
2	Pūkeko	6	15	• Great for large groups/families wanting a chalet to themselves • Limits on adult/child number ensure comfortable stay
3	Kererū	2	4	• Great option for a family • 2 bedrooms • Perfect for families with 2-4 children • Separate living area

- Club Maunga has provided you with several images of each of the chalets – to give visitors to the site an idea of what the chalets look like. These images can be found in your **Assessment Resources** folder.

Club membership

The following information about how to join the club needs to be included somewhere on the website:

To join as a club member, a person needs to email Club Maunga the following information:

- full name
- physical address
- proof of address (eg copy of power bill)
- proof of ID (driver's licence or passport).

The above needs to be sent to the following Club Maunga email address:

maungaclub@maungaclub.maungaclub

Membership will be confirmed by email.

Additional information about the Club and accommodation (membership letter) will be sent by regular mail.
